
Last of autumn

Jeff Kennedy of Hollidaysburg took this photo near Hollidaysburg.

Last of spring

Gwen Black of Hollidaysburg said this iris is blooming now in her sister's yard in Lakemont, and there are thousands of dead oak leaves surrounding the plant. "Normally, irises bloom in the spring, and not in the autumn," she said.

Amateur photographers may email photos for consideration to **community@altoonamirror.com. Photos must be high-resolution and in JPEG format.** Information accompanying photos must include details and a daytime telephone number to be considered. Submissions will be chosen based on composition and creativity.
