FUN BASED LEARNING SNOWSPORTS SCHOOL

Skiing and snowboarding is fun, so learning to do either should be fun too! We have reinvented the way we introduce snow sports by creating an easier, faster, and ultimately more fun experience. This new program is perfect for adults and children who have never tried skiing or snowboarding.

The overall goal of Fun-Based Learning is for the newcomer to have fun! Inside the learning area, newcomers are introduced to the sensation of skiing or snowboarding right away, as the focus is on "going," rather than "stopping." Newcomers to the learning area will encounter shaped snow that will naturally control their speed and direction, making it easy to start, turn and stop! Our packages are designed for one-stop shopping, get your ticket, equipment and lesson all together!

FIRST TIME EXPERIENCE

Our First Time Experience Package is for the never ever skiers or snowboarders, ages 8 and older, who are looking to take up a new winter activity. If you have never been on the snow, this is THE package for you.

GROUP LESSONS

Group lessons are a fun way for skiers and snowboarders ages 8 and older whether you are new to the sport or ready to improve your skills. All group lessons are 90 minutes.

PRIVATE LESSONS

Private ski or snowboard lessons in our Fun-Based Learning Program are all about YOU! Hidden Valley's effective one-on-one coaching program and analysis of your technique will help you get the most out of your snowsports experience. Private lessons are available for skiers, ages one and up, and snowboarders, ages three and up, for any ability level. One and two hour lesson packages are available.

RIPPERS

The ultimate choice for kids, teens and tweens! For beginners to advanced participants, each session will focus on skill development with some of the best coaches on the mountain. Lessons group kids of similar age and/or ability to maximize success and provide the appropriate lesson environment on the mountain. Coaches encourage improvement while nurturing confidence during the lesson. Full and half day packages are available.

LIL' RIPPERS

We believe that the best time to teach your child to ski is between the ages of 5 and 7. Your child will have tons of fun and learn quickly in the shaped snow that will naturally control their speed and direction, making it easy to start, turn and stop. Not only will your child be learning a new winter activity, they will be making new friends! Full or half day packages are available.

Reservations are required. Please call 814.443.8000, ext. 308, to make your reservations or for more information.
