

SANIBEL ISLAND
ROOTS IN
RESILIENCE

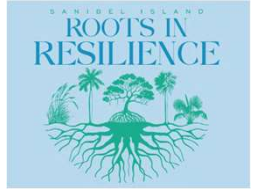

Rebuilding Sanibel's Green Spaces

Our Mission

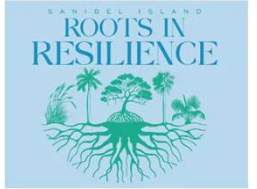

-  Celebrate Sanibel's 50 year anniversary with 50+ native trees and vegetation a year for 50 years
-  Re-green public spaces – sub-tropical feel
-  Partner with SCCF and Sanibel Natural Resources Department for selections
-  Public/City/Business partnership to raise funds
-  City of Sanibel to purchase, plant and maintain

Process

-  Citizen-driven Committee
-  Establishing a donor-directed account at CFI
-  Focus on City's main passageways, e.g. Periwinkle Way

Projects

 Initial Project: The Causeway Boulevard Corridor

 Future Projects:

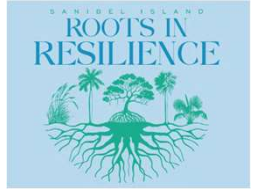

Lindgren Boulevard

Segments on Periwinkle Way

Beach Accesses

Segments of SanCap Road

The Causeway Boulevard Corridor

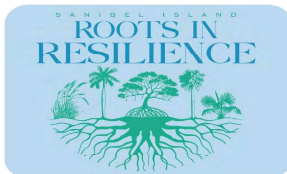

- 🌴 Front door to Sanibel Island
- 🌴 Partially recovered post-lan, but more lush landscaping planned
- 🌴 Locals and visitors to experience a welcoming, tropical vibe
- 🌴 “**The Green Gala**” will serve to raise funds, along with donations and an allocation from City of Sanibel
