SNOWSPORTS SCHOOL

At Seven Springs, we think skiing and snowboarding is fun. So learning to do either should be fun too! Our program will have you floating on the snow in no time. Inside the learning area, newcomers are introduced to the sensation of skiing or snowboarding right away, with a focus on “going,” rather than “stopping.” This program is perfect for both adults and children who have never tried skiing or snowboarding... and it’s FUN!

We offer private lessons and semi-private lessons for skiers and snowboarders of all ages and ability levels. Whether you’re a toddler or a grandparent, we have a program that fits perfectly for you!

The Snowsports School is open daily and reservations are required. Please note that your lesson will need to be scheduled independently from your arrangements for lodging, lift tickets, rentals and meals.
