

**RULES OF PLAY**

The rules of United States Golf Association will govern all play except when modified by local rules.

- Sprinkler heads measured to center of green.
- Numbers shown are true distance from that point to the center of the green.

**LOCAL RULES**

- 90° cart rule in effect unless conditions are extremely wet.
- Free drop at point of entry when ball enters parking lot for #7 and #9.
- All cart operators must be at least 16 years old and have a valid drivers license.
- All carts must stay on cart paths around greens and tees.
- Lateral Hazards: All lateral hazards are marked with red stakes. Drop your ball at the point of entry and take one penalty stroke. Both the driving range (left side of #1 & #7) and the right side of #4 are played as lateral hazards. *Note: Golfers are not permitted to hit from driving range. Relief must be taken from point of entry.*
- Course rangers reserve the right to direct play on the course.
- 150 yards indicated by birdhouses measured to the center of the greens.

Please enjoy your round of golf and help others enjoy theirs...It would help if you kept pace with the foursome in front of you and allow faster players to play through. Eighteen holes should take approximately four and a half hours to play. To help keep pace, please go to your ball and get ready while waiting for your cart mate to hit. Hit when you're ready, do not wait for the away ball to hit.
