

CITY OF NASHUA

PUBLIC HEARING NOTICE

FY2022 ANNUAL ACTION PLAN

FOR THE CDBG and HOME PROGRAMS

A Public Hearing will be conducted at the Aldermanic Human Affairs Committee meeting on December 14, 2020 at 7:00 pm related to development of the Annual Action Plan for the City's CDBG and HOME programs (FY22: July 1, 2021-June 30, 2022). Information on how to join the meeting will be posted to the City's website as part of the Human Affairs Committee agenda.

The CDBG Program is a resource to develop viable communities by providing decent housing, improving the living environment, and expanding economic opportunities for low-and moderate-income persons. The HOME program supports activities that create affordable housing opportunities.

Each year the City develops an Action Plan that supports the overall goals outlined in the 2020 Consolidated Plan. FY22 is the second year of the 5-year Plan and will detail the actions, activities, and the specific federal and non-federal resources anticipated to be used during the year to address the priority needs and specific goals identified by the Consolidated Plan.

The purpose of this Public Hearing is to obtain input from interested parties regarding the upcoming fiscal year's priorities and needs, which will flow directly into the request for proposals process. By consulting and collaborating with other public and private entities, Nashua can align and coordinate community development programs with a range of other plans, programs and resources to achieve greater impact.
