

US Cellular Corporation is proposing to modify an existing wireless telecommunications facility on a 102-foot building located at One Chestnut Street, Nashua, Hillsborough County, New Hampshire 03060. The modifications will consist of removing six existing antennas and installing nine new antennas on the existing mounts at centerline heights of 97 feet and 102 feet above ground level. Any interested party wishing to submit comments regarding the potential effects the proposed facility may have on any historic property may do so by sending such comments to: Project 6121002197 - MAB EBI Consulting, 21 B Street, Burlington, MA 01803, or via telephone at (617) 909-9035.
