

*In loving memory*

# **Randy Lamont**

*August 9, 1987 - August 11, 2009*

*While 12 years have passed since your fun loving spirit and loyal heart left us, your memory continues to burn just as bright today. You will never be forgotten and you will forever be loved.*

*Eternally in our hearts, always in our thoughts and continuously in our prayers.*

*One Love.*
