(1960-2013)

On this day and  
all the days before,  
we remember you....  
as a son, a brother,  
a husband  
and a friend to all.  
Your life was filled  
with living.

“Mama always told me to not look  
into the sights of the sun...  
But mama, that’s where the fun is”  
*(Springsteen, “Blinded by the Light”)*
