The moment you left me
my heart split in two.

One side filled with memories,
the other side died with you.
I often lay awake at night when
the world is fast asleep and
I take a walk down memory
lane with tears upon my cheek.
Remembering you is easy, I do
it everyday, but missing you is a
heartache that never goes away.
As my life goes on without you it
will never be the same.

Your Loving Wife***
