# TORY C. MARANDOS

*We remember that first day  
without you...  
we have never been the  
same...  
there will always be a  
profound sense of loss  
for what could have been.*

**HAPPY 46TH BIRTHDAY TORY!**

*Love, Papa, Mom and Tara*  
You've just gone ahead of us Tory,  
we'll see you when we get there.
