Diana attended schools in Milford, Nashua and Derry NH. She worked outside of the home but, her main goal was to be a wife to her husband and mother to her children. Because her life was short, she did not get to reach her full potential in either of those roles or to experience life to its fullest. While she was alive, she enjoyed music of all kinds and playing card games. Her children remember her planting flowers in the Spring (pansies and marigolds). She has and always will be very loved and missed.

The family would like to invite family members and friends that knew her to her Celebration of Life on July 6th, 2025 (her 75th Birthday) from 11:00 a.m. to 2:00 p.m. at Colonel Shepard House, 29 Mont Vernon St, Milford NH. We would love to hear stories you experienced first-hand with Diana as well as any pictures you may have of her.
