I. Public Hearings:
a. Cases #2025-10 & 11 (SE) located at 283 South Street M43 L17:
The applicant, the Town of Milford's Conservation Commission (MCC), for proposed work within the town-owned lot lying within the Commercial Zoning District (subject to Section 5.05 of the Milford Zoning Ordinance) requests two Special Exceptions. The first request (under Section 6.02.6 of the Milford Zoning Ordinance) is to place a permanent storage trailer along the edge of the long-existing (gravel/dirt) Milford "Rail Trail" Parking Lot (located @ 283 South Street, M43 L17), within its adjacent (upland) wetland buffer area. An additional Special Exception, for relief under Section 5.05.B, is also being requested due to the potential for the rear portion of the proposed trailer encroaching +/-5' into the required fifteen (15') side setback to an adjoining lot. The purpose of the proposed 120 sq foot (10' x 20') metal storage trailer will be to store various (MCC) equipment. A maximum area of upland wetland buffer estimated to be impacted is no more than approximately 450 (15' x 30') sq. feet.

Please call or e-mail Terrence Dolan with any questions or concerns at 603-249-0620, or email at tdolan@milford.nh.gov.
