QUESTION 1: RELATING TO CHARTER
AMENDMENT
Shall the municipality approve the charter
amendment summarized below?

This amendment would provide for two additional
Board of Health members, so that the Board
of Health would have five members instead of
three. One of the two new members would be a

registered nurse, and the other would be a licensed
social worker.

The Nashua City Charter shall be amended by
adding the new underlined language to Charter
Section 78 as follows:
“§ 78. Board of Health, how chosen
The board of aldermen on the first secular day of
January, 1915, shall elect a board of health, to
be composed of three members, whose terms of
office shall be for one year, and on the first secular
day of January in 1916 and thereafter biennially
on said first secular day of January following the
regular municipal election through the end of 2025,
they shall elect said board of health for the term of
two years, to be composed of three members, two
of who shall be physicians. On the first secular
day of January in 2026 following the regular
municipal election, and thereafter biennially, the
board of aldermen shall elect said board of health
for the term of two years, to be composed of five
members, two of who shall be physicians, one who
shall be a registered nurse, and one who shall be a
licensed social worker.”
