

We Remember

Leslie “Buddy” Kimball, Sr.

10/2/1935 to 4/25/2025

Buddy was a hard-working father of five that left this without proper fanfare. His son, Les Kimball, Jr., brother Larry Kimball and me, his nephew Dan Covey, stand to remember him as he so deserves. We are, in uncle Larry's words, his “three amigos.” We three could all spend time recalling our individual memories here, but what we want to share with you is his loving spirit.

Uncle Buddy loved his family, all of us, and we loved him. He wore an unrelenting smile that was comforting to all those around him. He enjoyed hosting family barbecues and visiting with us all. He was called “Captain” because of the way he managed these events. He was fun to be around and had a good sense of humor. We laughed, we ate, and we were family. He was a good man who cared and loved as only he could.

We three amigos feel it's time to let the community know that we loved Buddy and miss him dearly. Let this notice serve as closure for those in our family who continue to struggle with his loss. He would want peace for us all. ***Let this serve as a new beginning in Uncle Buddy's honor and give it to him.***
