

Grades for Mahoning Valley schools on 2025-26 state report cards

The 2025-26 academic-year Ohio School Report Cards, released Tuesday by the Ohio Department of Education and Workforce, are required by law to provide parents, caregivers, community members, educators and policymakers information about district and individual school performance — to celebrate successes and identify areas for improvement. The information provides transparent reporting to drive local conversations on continuous improvement and identify schools that need intensive support. Each component of the ODE's assessment gives a one to five-star ratings for achievement, progress, gap closing, early literacy and workforce readiness:

- 1 to 1 1/2 stars means districts needs significant support to meet state standards;
- 2 to 2 1/2 stars means the district needs support to meet state standards;
- 3 to 3 1/2 stars means the district meets state standards;
- 4 to 4 1/2 stars means the district exceeds state standards;
- 5 stars means the district significantly exceeds state standards.

LEGEND A Achievement: Whether student performance on state tests met established thresholds and how well students performed on tests overall. EL Early Literacy: Measures reading improvement and proficiency for students in kindergarten through third grade. G Graduation: Looks at the four-year adjusted cohort graduation rate. P - Progress: The growth all students are making based on their past performances. GC - Gap closing: Measures the reduction in educational gaps for students subgroups. R - College, Career, Workforce or Military Readiness: Looks at how well-prepared Ohio's students are for future opportunities, whether training in a technical field of preparing for work or college.
